

# Book Arts Classes and More!

## SCULPTURAL SQUARE BOOK

Make an impressive hardcover, origami-style book with folded triangular and square panels. Learn how to cover boards and to turn in the corners like a pro. Use as a special gift or keepsake.

## COPTIC STITCH JOURNAL

Sew a hardcover multi-signature book, using a curved needle. The exposed binding on the spine is both decorative and functional. Great as a writing or sketch book. Some basic sewing experience is helpful.

## FLAG BOOK STRUCTURE

Assemble a stunning hardcover book with fluttering flags made from coin envelopes. Choose from a wide selection of papers for covers and endpapers. Option to add ribbon ties.

## UPCYCLED BOOKS: WIRE-BOUND AND SEWN

Using everyday objects such as game boards and cereal/candy boxes, we will make eye-catching, functional pieces. Construct two sewn booklets and one wire-bound notebook. Fun!

## CUSTOM RUBBER STAMPS, CARDS, AND A SEWN PAMPHLET

Design and carve your own rubber stamps, using linoleum cutting tools. No previous experience required. Print a set of cards, and learn how to sew a pamphlet. Materials include cards/envelopes, rubber slab, and carving tools to take home.

## DUCT TAPE WALLETS

Create a unique wallet with stacked compartments to hold your ID/credit cards. Custom paint the inside pockets. Choose from duct tapes which include tie-dye, metallic, stripes, penguins, and zebra pattern!

## BEESWAX COLLAGE

Create a beautiful art piece on canvas, using paper, sewing patterns, napkins and clip art. Learn how to create beeswax collage and easily make more on your own. All materials provided. You are welcome to bring your own small drawings or paper scraps too.

## NEEDLE-FELTED ORNAMENTS

Make your own ornaments or decorative items in a dry needle-felted workshop. We'll explore basic techniques to create one-of-a-kind pieces: flowers, stars hearts, and more. All materials provided.

Each session: 3 hours. All levels welcome.
